Ocwen Financial Corporation Announces  
Board Approval of Reverse/Forward Stock Split

WEST PALM BEACH, FL (March 10, 2006) - Ocwen Financial Corporation (the "Company") (NYSE: OCN) today announced that its Board of Directors has approved a proposal to be submitted to shareholders at the Annual Meeting to be held on May 4, 2006 to amend the Company's Articles of Incorporation to effect a 1-for-10 reverse stock split, followed immediately by a 10-for-1 forward stock split (the "Reverse/Forward Split"). Assuming shareholders approve the proposal, the Reverse/Forward Split is currently expected to be completed on May 12, 2006 (the "Effective Date").

As a result of the Reverse/Forward Split, accounts with less than ten shares of common stock will be converted on the Effective Date into the right to receive a cash payment for each share held equal in value to the average official closing price of the common stock on The New York Stock Exchange over the ten trading days immediately preceding the Effective Date. All shareholder accounts holding ten shares or more will be unaffected, and the total number of shares held by such accounts will not change. The Company intends to treat shareholders holding common stock in street name through a nominee, such as a bank or broker-dealer, in the same manner as shareholders whose shares are registered in their names. Accordingly, the Company will instruct all nominees to effect the Reverse/Forward Split for their beneficial holders. Shareholders who hold shares in street name may wish to contact their bank or broker-dealer directly for more information.

The Reverse/Forward Split is intended to reduce the Company's administrative cost associated with the maintenance of nominal shareholder accounts while at the same time providing shareholders holding fewer than ten shares with a cost-effective way to cash out their investment without incurring brokerage or service fees. While the Company anticipates proceeding with the Reverse/Forward Split, shareholders should note that the Company's Board of Directors reserves the right to abandon the transaction at any time before the Effective Date. Additional information regarding the Reverse/Forward Split is contained in the Company's preliminary proxy statement for the 2006 Annual Meeting (the

"2006 Proxy"), which was filed with the Securities and Exchange Commission (the "SEC") today and may be obtained free of charge through our website (<http://www.ocwen.com>) or through the SEC's website (<http://www.sec.gov>).
